Go PINK with LFD!

In an effort to raise awareness and show support for all who have battled or who are currently battling breast cancer, the Longview Fire Department served while wearing pink on October 26th, 27th, & 28th.

Our fire and medic crews wore “pink” fire department T-Shirts on these three shifts. It is our goal to show support, care and awareness in recognition of the citizens and visitors of our city who are survivors or current breast cancer patients.

The Longview Fire Department has T-Shirts available for individual purchase at the Fire Administration building located at 100 E. Cotton Street with all proceeds going to the Susan G. Komen Race for the Cure.

T-Shirts are $15
